## FISHING RULES AND IMPORTANT INFORMATION

- All anglers aged 12 or over must be in possession of their own individual Environment Agency rod license in addition to the fishery permit. Note: from the 1 April 2017 this will change to- all anglers aged 16 or over.
- Each angler must buy a permit before starting to fish and the purchase of a permit is acceptance of the fishery rules.
- To aid fishery management we would request that all anglers sign in and out and record their catch on the sheets in the fishing lodge.
- Up to two children under the age of 18 can fish for free on their parent, grandparent or guardian's permit.
- Anglers are required to use barbless hooks.
- All coarse fish must be returned unharmed to the reservoir.
- Litter and nylon waste must not be discarded, please use the bins provided or take it home.
- All Brown trout caught must be returned unharmed to the reservoir.
- Any Rainbow trout that are caught can be retained for the table.
- Bank fishing times are from 8am to 9pm or sunset (whichever is sooner) Monday to Friday and from 7am to 9pm or sunset (whichever is sooner) on weekends and bank holidays.
- All normal coarse fishing rules apply however the use of live fish baits e.g. minnows etc is not allowed.
- Fishery Rangers reserve the right to inspect permits, tackle and catches.
- Northumbrian Water reserves the right to change any rules or policy and to close part or all of any fishery without notice or redress.

## GENERAL SAFETY INFORMATION

**For your comfort and safety and to help get the most out of your fishing experience, it is important that you read and follow these safety rules and guidance notes when fishing at our sites.**

**We would also encourage adults and parents to point out these safety considerations to children:**

- Look out for and abide by any safety notices or warning signs - they are there to protect you.
- Children under the age of 14 years must be accompanied by an adult.
- Please make yourself familiar with life saving equipment before fishing.
- To avoid slipping, please wear ankle supporting footwear with good grip and take extra care on dam walls and grassy banks.
- Always check behind you before casting in case anyone is passing by.
- Keep rods and lines away from overhead power cables.
- In an electrical storm, cease fishing, put the rod down and move well away from it.
- Beware of adders (Britain's only venomous snake); if you spot one please leave it alone, they are harmless if left undisturbed.
- Rangers reserve the right to cancel or suspend fishing due to adverse weather or any other safety consideration.
- Unauthorised swimming in all Northumbrian Water reservoirs is prohibited.
- Be prepared to help others in difficulty but do not put your own life at risk.
- The lighting of fires is not allowed.
- For the comfort and safety of all visitors to our sites all dogs must be kept on a lead.
